

INDUSTRIAL CLEANING SOLUTIONS

Superior safety. Industrial cleaning service.

Do you experience cleaning challenges on machinery, heavy duty equipment, structures, degreasing of floors or hard to reach places? Our skilled teams, together with specialised equipment, can assist you to ensure that your facility and equipment always look as good as new.

THE CHALLENGE

Are you tired of not being able to reach and clean your challenging surfaces? Are you running the risk of exposing your staff to safety hazards due to the lack of proper training, tools or protective gear?

Tsebo Cleaning Solutions offers cost-effective cost effective and safe alternatives to conventional methods used to reach and clean challenging interior or exterior surfaces of buildings and structures.

Our staff are experts in efficiently completing high-level and difficult cleans. We use environmentally friendly products and specialised access and protective equipment to ensure safe, hygienic results.
